SIGNATURE KEYNOTE

The Urgency for Connection: Small Interactions, Big Rewards.

*The world needs a sense of wealth, and it will achieve it only by its people feeling that they are **worthwhile**. -Fred Rogers*

In the hustle of our work, it's easy to lose sight of what truly matters: connection. Sometimes we forget how to "People"! Every interaction holds the power to build trust or break it. With storytelling, research, and Fred Rogers' wisdom, Jennifer inspires audiences to see the extraordinary impact of ordinary moments. The commitment to make every connection count doesn't require a framework or manual.
